Health Secret

Mali

Safoura is an entrepreneur in Healthy and nutritive agrifood value chain, she is a youth women climate and economic resilient champion. Green Coach for climate adaptation solutions through green jobs for youth, she facilitated several Green Youth Innovation Hackathons such as National Climathon. She is a leading voice for youth inclusion in digital and climate smart agriculture services through Go Green Mali program from July 2024 to June 2025. She was a laureate of the Post graduated Food Chain program in agriculture in Germany and won second prize for creativity at the International Crafts Fair of Mali 2021. Her leadership has been recognized by peers as Sahel youth champion by UNDP, Mandela Washington Fellow 2022 in the USA. Safoura was honored during the Concours de innovation (Innovation Competition) organized by Mali-Folkecenter Nyetaa. This event celebrates young entrepreneurs who develop eco-friendly and impactful business solutions in 2023.

Health Secret

Founded in 2019 it is a processing and marketing unit for Noni juice that offers a variety of products and services. There has already succeeded in creating 5 full-time jobs and 7 part-time jobs for local young people. The main vision is to popularize the consumption of Noni juice in the sub-region. The aim is to improve the food and nutritional situation of the populations and to provide income to an entrepreneur through self-employment, with a more general objective of the economic empowerment of women. In the future put Noni among the main sectors of Malian agriculture; As she is the first person to produce and process noni in Mali, she would like to create an association of all the actors of noni value chain. By 2025, Health secret aims to be the first NONI juice and powder processing plant powered exclusively by renewable energy. Moving towards a "world of three zeros": Zero poverty, zero unemployment and net-zero carbon emissions contribute to the achievement of SDGs 1.2.3.8.12.13 and 17.
